

COFFEE ROASTING COURSE TRAINING & CONSULTING

WITH

Roastress Coops

A lot of roasters are self taught and just want to know they are on the right track. With my vast roasting and industry experience I want to be and can be that resource that roasters can trust and confidently turn to for the right training and advice.

- Anne Cooper

Whether you're new to coffee roasting or are an experienced roaster looking to enhance your current skills & knowledge, I can help you achieve your roasting goals with a practical, hands-on **Roasting Course** or one-on-one, **Private Training & Consulting Session**.
